

**Memorandum of Understanding Signing Ceremony
Malaysian Meteorological Department with
Universiti Sains Malaysia**

**Complex Eureka USM
Penang**

3 November 2009

Malaysian Meteorological Department (MMD) has ratified Memorandum of Understanding (MoU) with Universiti Sains Malaysia (USM) during the opening ceremony of South China Sea Tsunami Workshop 3, in Complex Eureka, Universiti Sains Malaysia.

The MoU was signed by Dr. Yap Kok Seng, Director General of Malaysian Meteorological Department, Ministry of Science, Technology and Innovation and Prof. Lim Koon Ong, Deputy Vice Chancellor of USM.

With the signing of the MoU, MMD and USM have agreed to cooperate in research activities, share information mainly in academic report publication, staff/student exchange programmes and also to establish mutually beneficial collaborations which will benefit both parties in various area of geophysics science such as earthquake and tsunami.

The cooperation between MMD and USM will give benefits to the JMM's officers, the academic lecturers and also the students of the university.
